### **ACTIVE DISTRIBUTOR (AD)**

An active Distributor is one who has purchased the MSG Distribution License (\$199) and is eligible to earn all commissions. A Distributor keeps "active" status by setting up and activating the monthly subscription, which allows unlimited distribution of Genies. Active status protects all previously distributed Genies and keeps Distributors eligible to earn commissions paid by MyNet Universe through the Download for Dollars program. Active status also is required to receive all bonuses, overrides, Progressive Matching Funds, 100 percent match pay and to carry over sales credits from month to month.

Distributors are paid a \$100 commission when they have personally-enrolled three Active Distributors. An additional commission of \$100 is paid to Distributors when they have personally enrolled three more Active Distributors, for a total of six personally-enrolled Active Distributors.

If you enroll six Active Distributors within the first 30 days of your enrollment, MyNet Universe will pay you an additional \$100 Quick Start Commission for a total of \$300!

For each additional six Distributors personally enrolled, a Distributor will earn an additional \$200 commission – there is no deadline or limit to the number of Distributors you can enroll.
